Pattern:

With Shitake cast and starting at the arm end of the mitt, cast on 54 stitches, placing 18 stitches on each of 3 double pointed needles. Join to work in the round being careful not to twist the stitches. Place a stitch marker on the first stitch.

Edging stripe:

Rnds 1-4: (k2, p1) repeat to the end of the round

Rnds 5-8: knit

Arm stripes:

Switch to Dachshund, leaving Shitake attached.

Rnds 1-4: knit

At this point wrap Shitake around the working strand of Dachshund to carry up as you work. Continue to do this in order to carry the yarn on the Shitake/Dachshund stripes for the color not being used at that time.

Rnds 5-8: knit

Switch to Shitake.

Rnds 9-16: knit

Repeat the Dachshund and Shitake stripes until you have 8 stripes total (see photo) including the edging stripe. This section is the place to shorten or add length if so desired.

One color mitts only:

After the edging stripe or rounds 1-8, knit every round until the arm measures 7.5 inches from the cast on edge.

Colorful stripes:

Note: For the following colorful stripes cut the ends as you change colors to weave in later.

After 8 stripes have been completed knit 8 rounds each in the following colors:

Calypso
Cricket
Sassafras

One color mitts only:

Continue knitting every round until the mitt measures 10 ¼ inches from the cast on edge.

Thumbhole rounds:

Switch to Tutu.

Instead of continuing in the round you are now going to work back and forth in rows on the dpns. Turn the mitt to purl the next row.

Row 1: purl

Row 2: knit

Repeat rows 1 and 2 three more times (8 rows total)

Switch to Popcorn.

Repeat rows 1 and 2 three times (6 rows total)

Join to work in the round again. Work 2 more rounds in Popcorn.

One color mitts only: Work back and forth in stockinette stitch for 1 ¾ inches for the thumbhole. Join to work in the round again.

Work 2 rounds and continue on for the hand edging as written.

Hand edging:

Switch to Shitake.

Rnds 1-4: knit

Rnds 5-8: (k2, p1) repeat to the end of the round.

Bind off in the rib pattern. Cut the yarn and pull the end through the remaining stitch. Weave in all ends to the inside.

Block as desired. I simply steamed until damp and dried flat.
